

Current Impact Praise God for another fruitful month ministering in Chiang Mai Thailand. We continue to see God's power and favor poured out upon the work He has called us to.

We mentioned last month that we had been doing some fasting and praying. We have been seeking God for a move of the Holy Spirit. We know that it is only by His power that people will come to Jesus. The fast finished mid month and we were affirmed again that solid food is good! We finished the last week with morning prayer starting at 6 am. We were all encouraged by the Holy Spirit that He will indeed move in great power and we will see *the wasteland become a fruitful field and the fruitful field become a forest.* –Isaiah 32:15.

We celebrated the 4th of July at the US embassy. It was like being in little America. There was all sorts of American food and American people from all over the US. We had a wonderful time with our friends and enjoyed the fireworks shot over the Ping River in honor of our country.

The 4th of July Celebration

Last month we also had a friend of Ryan and Jill Jensen's, Brook Gagnon, stayed with us for a week. Her heart is to help prostitutes out of prostitution and to influence and change human trafficking in Thailand. She worked with Garden of Hope Ministries. This work reaches out to prostitutes at the bars in Chiang Mai, shares the love of Christ, and helps women develop skills for other professions. It was a blessing to talk to Brooke, hear her heart, and be encouraged that God will also use us in the future to help bring change to the sex trade in South Asia.

We also hosted a conference at our church last month. Johnny Buckner, a former missionary in Thailand and China turned US pastor, brought in a group of leaders from many closed countries such as Vietnam, Cambodia, Burma, and China. The group receive teaching and refreshing from the Lord. They were able to attend Suk Asigan where we saw God move in healing power as well as attend the Sunday service. James preached on the topic of endurance encouraging the leaders that perseverance is the key to answered prayers. God moved powerfully that Sunday as many of the leaders were ministered

to for healing and receive prophetic direction for their lives and ministries. We were blessed to get to know these precious saints who have laid down their lives for the gospel of Christ.

On the 28th of July we had a team come and join us from a local church in Eureka, California. The team leaders were Andrew and Jessica Fouche, some of Jill's good friends from YWAM. What a fulfillment it is to have former YWAMers serving the local church and partnering together. One of the first ministries they served at was Home of Joy Orphanage. The orphanage has 9 children, two girls and 7 boys. The team was able to serve the orphanage by cleaning, yard work, maintenance, and painting. We were also able to spend some time with the orphans and each team member gave a new set of clothes to each child. The team accomplished many things and demonstrated Christ's servant heart, but we will continue that update next month!

At the Orphanage

Testimony: Khun Ben just became a Christian. She lost her husband 13 years ago and has two children. Like most Thai people she had been raised a Buddhist. One of our church members reached out to her with God's love and brought her to church where she encountered Jesus. For many Thais coming out of idolatry and the cultural Buddhist/Animism takes time. Often it is a step by step process for people, but Khun Ben has abandoned herself to Jesus and wants to trust Him only. She shared this with the church and a group went over to her house. Khun Ben threw away her idols and amulets. Then she destroyed the spirit house that had been placed in her yard by a monk. She has fully committed herself to Jesus Christ and has embraced Him as Lord. Please pray for Khun Ben and her two children. Her daughter has come to Christ, but her son is autistic and is difficult to communicate with. Khun Ben and the church are trusting God for her son's deliverance and healing. May we all continue to count the cost of discipleship and cast down any idols we may have in our lives.

Prayer Points

*Please pray for our housing situation. We want to rent the house we are in for another 6 months.

*We have our village pastor's conference coming up on August 20-23rd. Pray for safe travels and open minds and heart to receive from the Lord.

*Also we need to renew our visas, so we must travel Mae Sai, Thailand and cross the border into Burma on the 20th. Please pray for protection over James, Jill, and especially little William. Please also pray for safety in driving up to the border.

Thank you for your continued support of us and the ministry in Thailand. We have been blessed by your kindness and generosity.

**To partner with us please send your support to:
